

Why serial numbers on
ballots do not tie the ballot
to a voter.

Illustration:

Gather \$1 bills from several people.

Illustration:

Mix up the money

Illustration:

Randomly hand one \$1 bill to the person.

Illustration:

The ask them “Who’s dollar bill is this?”

?

?

Illustration:

Why don't they know?

?

?

It has a serial number on it!

Likewise, a concealed ballot number does not reveal the voter.

Secrecy of Ballot

Printing Ballot
